I have mixed feeling. I am frustrated that the office staff forgot to run my application for my dental work when they were supposed to. I had to remind her at my next visit. Payments for my crowns were never explained to me. Also, I am very uneasy about the office staff being incontrol of when I make my payments. I have specified the dates I would like the amount to come out, but I still receive paperwork with different dates. Lets hope that they are on top of this unlike my credit care applica
